NUMBER 24

Antioch Hi Submerges Northbrook 55 to 34; Plays Barrington Here

Junior Varsity Wins From Northbrook JV's by 32-31 Score

Antioch High bounced back strong to win easily from Northbrook there Friday and now have a three-way tie with Palatine and Barrington for second place in the Northwest conference standing.

Their game here tomorrow evening with Barrington will go far toward breaking the tie, and a good game is expected.

Coach Maurice Kruzan used 17 players in the game against Northbrook in which the Sequoits won 55 to 34. The first quarter stood 16 to 4 in Antioch's favor and at the half the score was 28 to 8. The varsity was never pushed at any time.

Kraft, with 11 points; Jones with 13, and Rosebaugh with 11 points were high point men for the Sequoits. The Antioch guards allowed Northbrook but three field goals during the first half.

The Antioch JV's won a close one from Northbrook 32 to 31.

Whether it was from overconfidence, or from the fact that they had pointed for their game here last week and were weakened by it, the Elia Township team fell before Palatine at Lake Zurich Friday evening 39 to 31. Their record of no defeats was broken, but they still lead the league. Barrington defeated Grant 45-28; and Bensenville defeated Wauconda 54-43.

Other games this weekend are Elia at Northbrook, Bensenville at Palatine, and Wauconda at Grant.

The Northwest Conference Standing follows:

VARSITY									
	W	L	Pts	Op.		W	L	Pts	Op.
Elia	5	1	250	178	Antioch	4	2	260	205
Palatine	4	2	213	189	Barrington	4	2	215	196
Bensenville	3	3	234	212	Wauconda	2	4	213	252
Northbrook	2	4	209	245	Grant	0	6	132	251
JUNIOR VARSITY									
	W	L	Pts	Op.		W	L	Pts	Op.
Barrington	6	0	243	132	Bensenville	5	1	219	134
Palatine	4	2	194	192	Elia	4	2	197	198
Wauconda	3	3	160	183	Antioch	2	4	134	153
Grant	1	5	152	186	Northbrook	0	6	123	212

V.F.W. and Auxiliary Will Present Movies At Guild Hall Tues.

The Sequoit Post and the Women's Auxiliary of the Veterans of Foreign Wars will hold an open meeting for members and friends at the Antioch Guild hall, Tuesday, Jan. 21, at 8 p. m.

The Illinois Bell Telephone company will supply the entertainment consisting of two movies. First, "The Telephone Hour" a half hour production of semi-classical music which is broadcast over the air on Monday evenings. The second movie will be "A Look at Radar," also of half hour duration. It explains the telephone company's part in radar during the war, revealing many heretofore "top secret" items of information. The two pictures are sure to afford an enjoyable as well as informative evening.

Following the movies the women of the recently formed auxiliary will act as hostesses, serving refreshments of cake and coffee.

This will be the first of a series of monthly meetings in which the V. F. W. Auxiliary will offer the people of the community entertainment and information of an interesting nature.

Whether you are a member or not the V. F. W. and the Auxiliary invite you and your family to these monthly gatherings," the V. F. W. commander announced.

Sequoit Post V. F. W. To Hold 2nd Annual Dance on February 15

Sequoit Post Veterans of Foreign Wars has set Saturday, Feb. 15, as the date for the second annual dance, commemorating the sinking of the Maine. Arrangements have been made to hold the dance at the Pasadena Gardens, route 83, one mile north of Antioch.

Plans are being made for a good orchestra to furnish music for dancing and other entertainment will be provided.

Conrad Walters Injured In Collision on Rt. 173

Conrad Walters, 26, of Spafford St., is recovering from serious injuries as the result of a collision of an automobile driven by John P. Miller, local insurance broker, with his motor-scooter on Rte. 173 east of Antioch last Friday evening.

Miller said he was driving west about 7 p. m. and didn't see the scooter. "I don't think the scooter had a light on it," he said.

Walters was hurled to the pavement when the bumper of Miller's car struck his machine and suffered head and back injuries. He was rushed to Victory Memorial hospital in Waukegan by Herman Holbek of the Antioch Rescue squad.

Ant. Servicer Gets Franchise for Ventnor Boats in This Region

The Antioch Servicer has been awarded the franchise for Ventnor Boats Inc., world's largest builder of racing boats.

The Servicer is the Plymouth-Chrysler factory dealer, and the line of boats will be handled in addition. Two utility runabouts, 18 feet long, powered with 105 horse power and 125 h. p. engines are on display.

This region is responsible for the purchase of more speedboats, with one exception, than any other territory in the world, according to other boat company records.

The Ventnor company holds the patent on "three point" bottom design. Now for the first time the company has entered the pleasure boat field and will have a full line of small boats including sailboats. It holds 98 percent of all world records for speed on water.

Bruno Mazardo and Rudy Corrado are owners of the Servicer situated at the intersection of Rte 21 and Rte 173.

Mrs. Art Gardiner, Ill 16 Months, Dies at Grass Lake Home

Mrs. Art G. Gardiner, aged 70 years, died at 5:45 p. m. Monday at her home on the west shore of Grass Lake after an illness of 16 months.

The funeral service was held at 1 p. m. today at the Strang funeral home with Dr. Spalding of the River Forest Presbyterian church in charge. Burial was at Forest Home Cemetery, Forest Park.

Grace G. Gardiner was born in Utica, N. Y., Jan. 26, 1876, the daughter of John P. and Grace Vidvard. She lived at Park Ridge before coming to Grass Lake 23 years ago. Her marriage to Art G. Gardiner took place Sept. 1, 1900 in Chicago. Mr. Gardiner is custodian of the Chain O' Lakes public shooting area.

Besides the husband she is survived by two sisters, Mrs. Addie Ostrander of Fox Lake, and Mrs. Julia Jensen of Chippawa Falls, Wis.

Champion Bowler Gives Talk, Fine Exhibition, at Recreation Lanes

Paul Kruski, just recovered from an attack of pneumonia, filled his engagement at the Antioch Recreation lanes Wednesday afternoon, giving a fine exhibition of bowling before a crowd of 270 persons.

The All-American bowler took on Dick Stroner for two games and bowled scores of 208 and 248 for a total of 456. Stroner, a little nervous, had a 170 average.

After his exhibition games Kruski gave a talk on the techniques of bowling, showing the best approaches and how to handle the ball. He told beginners to give up the idea of making too difficult spares and to concentrate on sure pins rather than to try to clear splits of an almost impossible nature.

Kruski was accompanied by Robert O'Brien of Chicago, representative of the Meister Brau Brewing Co., that sponsored the exhibition.

High School Committee Plans Potluck Supper

The Antioch Township High school social committee is planning a potluck supper and open house at the teachers rooms at 7 p. m., Feb. 6.

Mrs. Elmer Hunter, Mrs. A. P. Bratrude and Mrs. Curtis Wells comprise the committee in charge.

Men's Night at PTA Proves Big Success Even Down to Task of Washing Dirty Dishes

3 Cars Damaged In Accident On Main Street Wed.

Three cars were damaged Wednesday evening on south Main street when Albert Kumpfer lost control of his automobile and skidded into one driven by Verne Runyard. A third car, the property of County Recorder Howard Scott, was also damaged in the accident.

Cars parked on both sides of the street, near the Strang funeral home, were out in the street more than usual due to the snow which has accumulated at the curbs, leaving barely enough room for the passing of two cars in the center of the street. Runyard, who was traveling south, saw that a meeting with Kumpfer's car would be a tight squeeze, and stopped his car. The Kumpfer car skidded, striking the front of the Runyard car, doing considerable damage to the front and damaging both cars. Scott's car, which was parked at the curb, was struck simultaneously with Runyard's and was damaged on the left side.

None of the passengers of the cars was seriously injured, other than being shaken and bruised.

The accident brings to mind the discussions which were in progress by the Antioch village board with regard to the possible widening of both south Main street and Lake street, as both are hazardous when fully parked on both sides of the street, the pavements in both cases being too narrow for easy passage, when parked on both sides. It was thought at the time that State aid might be secured as both streets are arterial highways and state routes.

Postoffice Lifts Ban on Parcel Post Shipments to Germany

Gift parcels for all parts of Germany including Berlin, may now be sent at a rate of one parcel each week by or on behalf of the same sender to the same addressee, according to information released by Postmaster Roy I. Kufalk this week.

The part of Germany under Polish control is excluded from this lifting of the restriction, and no parcels may be sent to this zone. Postage rates are set at 14c per pound and parcels are limited to a total weight of 11 pounds.

Give Term Examinations At Antioch High School

Semester examinations are being given in the Antioch Township High school today and tomorrow. They start at 8:30 a. m. and end at 12:30 p. m. and the students attend no sessions thereafter.

"The students need not come to school until the hour of their examinations, and may leave as soon as they are finished," Principal T. R. Birkhead said.

Burt Anderson Loses Car Wheel and Doesn't Know It Until at Destination

Burt Anderson was out with a flash light on South Main St., Tuesday night, not as a Diogenes looking for an honest man, but as a car owner looking for a lost wheel.

Somewhere between Rte. 173 and the village on Rte. 21 Anderson lost a left rear wheel of his automobile. He said he felt something was wrong as he pulled into the Hunter garage and got out only to find that the rear of the car was riding on the brake drum.

This is the second wheel he has lost this week. He had new brake linings put on and it was necessary to remove the wheels. He believes the wheels were not properly tightened when put back.

Wednesday night he was still looking for his lost wheel.

Grade School Basketball Players Sport New Garb While Beating Rockland

Sporting new uniforms, the Antioch grade school basketball teams gave not only a good display of garb but ability to play basketball Tuesday evening here in defeating Rockland of Libertyville.

The first team won 35 to 27 and the second team won 23 to 5.

Tonight they will play Center at Libertyville and next Tuesday they will return to Libertyville to play Rockland. The next game then will be at Lake Villa on Jan. 31.

The Antioch team looked classy in the new uniforms. They are green with white letters AGS and numerals. The trunks are satin and the shirts cotton rayon. There are 15 suits, one for each boy on the first squad.

The second team will use the varsity uniforms and will be entitled to wear the new ones when they make the first team next year.

The uniforms were obtained through the efforts of Bud Holtz and Walter Kraft. When Principal Richard Whitacre was unable to find any firm able to take the order for uniforms for immediate delivery they had Louis Nielsen of Petite Lake get in touch with a friend, Mr. Solomon, of the Sands Uniform Co., in Chicago, and he rushed the order through for special manufacture.

Antioch Legion Teams Open League Play By Whipping Fox Lake

The American Legion A and B basketball teams opened the newly formed Legion League series Tuesday evening with a victory over Fox Lake at that village.

Both games were hard fought and the scores close. The A team won 38 to 34 and the B team, 29 to 26. Antioch B players were ahead 20 to 10 at the half, but Fox Lake came back strong in the second half.

Dale Rockow, coach-manager, said he used a large number of new players in these games in trying the players out. The next league game will be with Wauconda there next Thursday night.

This week Wauconda played Richmond, and Grayslake played the Lake Villa-Zion teams.

Former Antioch Man Dies At Chetek, Wis.

William Barnstable, a resident of near Antioch 40 years ago, died Jan. 20, at his home in Chetek, Wis., at an advanced age. He had been in the oil business there for many years, having taken up that business after leaving the farm here.

He was a brother of Al Barnstable and Mrs. W. R. Williams of Antioch. The brother and Herman Cubbon attended the funeral Monday, Jan. 13, at Chetek.

Mr. Barnstable was well known here by the older residents. Also surviving are a brother, James of Chetek and two sons, Lester and Raymond, also of Chetek.

Former Fox Lake Chef Died in Chicago Monday

John Williamson, 55, former Fox Lake resident and a brother-in-law of John Moore, North Chicago, formerly of Antioch, died Monday at Chicago after a long illness. The body was taken to Galva, Ill., for burial. Before his illness Williamson was chef at the Homestead restaurant in Chicago. His wife was formerly Florence Moore.

Spring Elections Find Interest in Antioch Lagging

Village, Schools, Township To Select Officials Early in April

While other communities are having strong under-current of political struggles with the approach of local elections Antioch seemed to be unaware of any approaching elections and there is but a small amount of discussion.

Three members of the village board of trustees, Elmer Bentner, Arthur Rosenfeldt and George Wagner, are completing their four-year term.

William A. Rosing is finishing his term as township supervisor and Robert J. Webb as highway commissioner. R. D. Williams and Mrs. Eleanor Micheli have completed another four years as members of the township library board. Election of a justice of the peace will be necessary to fill a vacancy.

Board members of the Antioch Township High school and Dist. 34 grade school are also to be selected.

The village board election is scheduled for April 15; the township election for the first Tuesday in April and the school board election for the first Saturday after the first Monday in that month.

Deficit Calls for Big Donations to March of Dimes Campaign Now

Antioch Benefited Greatly Last Year After Small Donation

With the placing of receptacles in business places about the village, the March of Dimes Campaign is now in progress Roy I. Kufalk, chairman announced today.

"With the deficit the county organization has because of the large number of cases of infantile paralysis last year, it will be necessary to increase the giving this year, if we want to fight the disease properly, Kufalk said.

The chairman said that although not looking at the campaign from the standpoint of inflation, he thinks it should be called "March of Quarters," for that proportionate amount may be needed if the number of cases is as large next summer as last summer.

Kufalk said that Antioch has a special reason to give more this year because it received \$1,439.12 from the county fund while contributing only \$247.33.

Kufalk announced that collections in the theatres would be taken the week starting Jan. 24.

Second Fox Hunt To Be Held Sun., January 18, 9 a. m.

The second in a series of hunts in the campaign currently being sponsored by the Antioch Hunting and Fishing club will be held next Sunday morning. The hunt will begin at nine a. m., and all sportsmen of the region are invited to take part. All interested will assemble at the corner of Lake and Main streets, Antioch.

The hunt was to have been postponed on account of the lack of snow and the prospect of thawing weather, but a light snowfall Wednesday evening and the prospect of perfect weather for the week-end, caused Dr. D. N. Deering, president of the club, to change the plan and hold the hunt.

Farmers having knowledge of the location of fox dens are urged to communicate with members of the club, or they may telephone Antioch 43 or 44. The club will make special effort to get rid of the foxes.

The first hunt, held about six weeks ago, attracted more than 80 sportsmen and it is believed that a large number will be on hand Sunday morning.

Officers of the Illinois conservation department will be on hand to help direct the morning's activities. Hunters are warned that shot-guns only may be used, and that no rifles or revolvers will be allowed. This is purely a safety measure as the carrying power of the rifles is such that their use is deemed unsafe.

H. P. Carey of Dallas, Tex., will leave for Dallas Friday after being the week-end guest of Mr. and Mrs. H. A. Radtke. The Radtkes plan to leave Friday for Dallas, where they will spend the winter.

The Desert Blooms

"The desert shall blossom as the rose," says the Old Testament. And something resembling that miracle is now taking place in the Middle East, where American capital, organization and ingenuity are exploiting the region's great oil resources to the economic advantage of the entire world—and the betterment of the people of that vast and strategic area. An article in the Texaco Star describing this development is an eye-opener.

Initially, two of the principal American oil companies went into Saudi Arabia at the invitation of the Arabian King, Ibn Saud. Their hope was to find oil where others had failed before them, and that hope was fulfilled. These companies have literally transplanted model communities—buildings, utilities, soil and all—to the Arabian desert. A new and better way of life has been brought to an ancient and legendary land, as a result of the American spirit of "take a chance."

That, it now appears, was only the beginning. Two more of the principal American oil companies have joined with the first two in a plan to build new pipelines and accelerate the development of the Arabian fields. No official estimate of the cost is now available, but informed estimates say it may run to \$300,000,000.

The ramifications of this great venture will be felt throughout the world. The total oil resources of the Persian Gulf area, according to an article in the Yale Review, may reach 150,000,000,000 barrels, sufficient to supply oil to the Eastern Hemisphere for generations to come. A great portion of this oil is in Saudi Arabia.

This is in the interest of American oil conservation as it will enable American oil companies to serve foreign demand with the Arabian product. Another result will be a substantial increase in the revenues going to the Saudi-Arabian government, which will make possible long-contemplated harbor and transportation improvements. Outstanding is the fact that this is a magnificent example of how free enterprise can accomplish results such as have never been secured by government control and operation of industry.

* * *

The Electrical Year

The statistical record of the electric light power industry in 1946 has been issued by the Edison Electric Institute. It is a story of growth in the face of difficulties.

facilities.

During the year, nearly 2,000,000 new customers were added to the industry's lists. Ninety per cent of our 40,000,000 American families are now using commercial electric service.

Most significant of all, the great majority of these new customers were added in the rural areas. More than 500,000 farms were connected during the year, bringing the total to some 3,400,000—63 per cent of all occupied farms. During the next two years, utility spokesmen forecast, the big job of erecting farm lines will be almost completed.

From the point of view of the domestic consumer, the year saw splendid progress. First, a new high average of residential consumption was reached—1,330 kilowatt-hours. Second, the cost of electricity went down 4 per cent, to touch an all-time low. And that occurred at a time when the cost of practically everything else we buy went up.

The installation of new generating capacity during the year was far under the original schedules—due largely to strikes in supplying industries. To offset this, the industry plans to add the enormous total of 8,500,000 kilowatts of capacity over the next three years.

These are a few of the figures. Their true importance must be measured in better living in the home, in less arduous agriculture, and in potentially increased productivity for the industrial worker.

* * *

The Miners Speak

Coal Age has published an extremely revealing popular opinion poll conducted among miners in the Middle West, Eastern and Southern coal regions by an expert from the McGraw-Hill research organization. According to this poll, 65 per cent of the miners queried felt that union members should vote secretly on future strike calls. The majority of miners were not in favor of government domination of contract settlements. And 60 per cent said there have been too many work stoppages in the past five years.

The most interesting fact developed by these expressions of opinion is that the miners, by and large, are not as favorable to continued one-man dictatorship of their union as many people have believed. Their opinion on the vital subject of work stoppages is especially significant. The individual miner, when he adds up the wages lost by strikes, has every right to wonder if they were worth-while—and if the wiser course is not to continue production while arbitration between union heads and management goes on.

This poll also provides the seeds for legislation which is needed to protect union members as well as the general public against the excesses of labor leaders. Who could sincerely argue against a law forcing a secret, supervised ballot by union members before a strike is called? Who could oppose a measure which would give workers actual and honest control over the policies of the union that is supposed to represent them?

Eat More Under Lights
As the days get shorter, pullets have less time to eat, and this means less feed for eggs. By having lights in the laying house, the working day can be lengthened and egg production increased.

LAKE VILLA

Friday evening, Jan. 24, is Family Night at the Community Church when families will gather at the church dining room for pot luck supper at 6:30, enjoy the meal together and the social hour which follows. No invitations are sent out, and all are welcome.

The Woman's Society of Christian Service will meet Wednesday afternoon, Jan. 22, with Mrs. Fred Hamlin at her home for dessert luncheon, at one o'clock, followed by a program when Miss Una Minto, of Millburn, a missionary to Africa for many years now home on furlough, will tell of her experiences and work there. The W. S. C. S. extends an invitation to the women of the community to be present.

The Halcyn group will meet Thursday evening with Mrs. Don Cremin at her home.

The small son of Mr. and Mrs. Collins, of Cedar Lake Park, passed away on the ship which was bringing him and his mother to America to join the father and husband and funeral services were held Saturday afternoon, with Rev. Ray Pierson in charge. Burial was in Naperville. Mr. Collins had only recently received his discharge from the armed services and is employed at the Maier garage.

Mrs. Alice Culver, of Round Lake, is spending a few weeks with her daughter, Mrs. Frank Richards, and husband.

Mr. and Mrs. Lester Hamlin visited Mrs. Hamlin's sister and family in

Chicago Sunday.

Mr. and Mrs. Sorenson, of East Shore Gardens left this week to spend a few weeks in Florida.

Mrs. Ben Cribb was a Chicago visitor last Friday.

Mrs. Dan Boyer and Mrs. Clifton Bray attended a District meeting of Woman's Society of Christian Service at the Chicago Temple last Friday.

Mr. and Mrs. Earl Hucker, sons, Billy and Charles, also Carol Bunkelman, left early Sunday with their trailer to spend a few weeks in Florida.

August Tanner, of Chicago, who formerly lived here, visited Lake Villa friends Saturday night and Sunday.

Buddy Reidel, son of Mr. and Mrs. Henry Reidel, of Sand Lake, underwent appendectomy at Condell hospital at Libertyville last week and is doing nicely.

Mr. and Mrs. Russell Nickerson and Ronnie, Mr. David Schrum and mother, Mrs. Ethel Schrum, were on their way to Chicago last Saturday evening when the Schrum car, driven by Mr. Schrum, skidded on a patch of ice south of Wheeling, throwing the occupants out of the car. Russell was the only one to escape cuts and bruises. Mr. Schrum and his mother had several cuts about the face and

head, Mrs. Nickerson had cuts and bruises on the legs and Ronnie had two sprained ankles. The car is almost a total wreck. They all feel that they are quite fortunate in escaping more serious injury. Mr. Schrum was able to go to school Monday and Rev. Pierson assisted him in his work.

Mr. and Mrs. William Walker were guests of their son, George, and wife at Libertyville on Sunday.

Howard Sherwood, who spent a few days last week in St. Luke's hospital in Chicago, was able to return home Saturday.

Mrs. Gordon Martin, Mrs. Charles Martin and Mrs. Jake Fish were Waukegan visitors last Friday.

176 Industries
Selected Chicago and Northern Illinois
for New Plants in 1946

Industries locating in this area have these outstanding advantages: Railroad Center of the United States
World Airport • Inland Waterways • Geographical Center of U. S. Population • Great Financial Center
Leader in Iron and Steel Manufacturing • Good Labor Relations Record • 2,500,000 Kilowatts of
Power • Good Government • Good Living • Good Services for Tax Dollars.

* Many of these businesses have made use of our staff of trained industrial engineers to secure factual information about the many economic resources of this area. On request this research group will make a special detailed study, for your business, of the various factors which make Chicago and Northern Illinois such a strategic industrial location. This work is carried on without charge. All inquiries are handled confidentially and promptly.

TERRITORIAL INFORMATION DEPARTMENT
PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

SOCIETY EVENTS

Antioch H. S. Teacher Weds Gurnee Merchant

Miss Ethel Dixon, daughter of Ray B. Dixon, of Gurnee, and Henry Quedenfeld, Jr., son of Mr. and Mrs. Henry Quedenfeld, of Antioch, were united in marriage at a candlelight ceremony at 8 p. m. Jan. 4 in the Gurnee Community church.

The double ring service was read by the Rev. Wayne Selsor.

The bride wore a gray wool suit with which she wore a pale rose hat and gloves. Her corsage was white gladioli. Mrs. Howard Knaack, matron

MISS ETHEL DIXON

of honor, and sister of the bride, wore a wool dress of aqua shade with a harmonizing hat of gray felt. She wore a corsage of pink carnations.

The bride's niece, Mary Ann Welton, serving as flower girl, wore a dainty pink dress.

Ray Quedenfeld, brother of the bridegroom, was best man.

Before the ceremony Mrs. Robert Dixon sang, accompanied by Mrs. Chalmer Hart. A reception in the church parlor followed the ceremony.

Mrs. Quedenfeld is home economics instructor on the faculty of the Antioch Township High school, while Mr. Quedenfeld is co-owner of a grocery store in Gurnee. They are residing in Antioch.

Card of Thanks

We wish to thank all friends and relatives for their kindness and sympathy in our sad loss of our infant son, Peter.

Mr. and Mrs. Don Collins (24p)

Card Of Thanks

We wish to thank our friends and neighbors for the many acts of kindness and sympathy shown during our recent bereavement.

Homer La Plant and family Mrs. Emily Kral

The family of Mrs. Emily Kral wish to thank all of the neighbors and friends of Lucile La Plant for the many acts of kindness shown.

Thank You

Shirley Nelson says "Thank you" to everyone for the many cards, gifts, flowers and letters she received while in St. Therese hospital.

Heavy Eater

A starfish will eat more than eight oysters in a day.

Library Booknotes

The library has recently received many fine books as memorial gifts.

Davidson's "The Tennessee" is a fine addition to the Rivers of America series. Covering nearly four centuries, up to the TVA in 1933, "The Tennessee" is an accurate and entertaining account of Tennessee life in pioneer and post Civil War days. Presented as a memorial book for William Hillebrand.

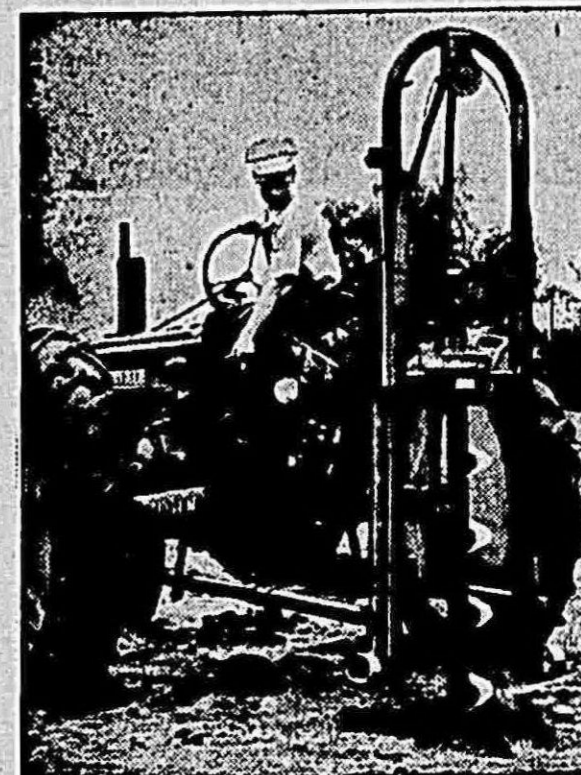

Have you a game room or outdoor living room which needs gay and original furniture? "Peter Hunt's Workbook" is crammed with ideas for transforming old and shabby furniture into charming decorations. "Peter Hunt's Workbook" is dedicated to the memory of Lucile La Plant.

Presented in memory of Thomas F. Hunt, Hannah Hudson Moore's "Old Glass" will be great interest to admirer of antique glassware. Many pictures illustrate the text which describe both European and American glass.

The response to our advertising has been indeed gratifying. It has proved to us that many people in and around Antioch were without Venetian Blinds, or did not know where to have their present ones completely renovated.

Many calls carry the suggestion that housecleaning time is just around the corner.

May we advise you to contact us now with reference to having new tape, cords, or replacing slats, or painting, or perhaps figure the cost of new Venetian Blinds for your home or office. Our prices compare with mail order houses.

Chess Wonder, 6 Years Old, Is Shark at Game

Pits His Skill Against Dozen
Experts; Was Genius
At 18 Months.

HOLLYWOOD, CALIF. — Andy Oberia looks like any other little boy of six except for his thick lenses, spectacles. The fact that he has the mind of a child twice his age and can give adult experts pointers on chess is something his mother can attribute only to alphabet soup.

"We had no idea how smart he was," Mrs. Margaret Oberia whispered as Andy pitted his chess skill against a dozen Los Angeles chess experts at once.

"I started to scold him once for picking the letters out of his alphabet soup and putting them on the table. Then I saw he had spelled out 'Chicago, Illinois.' That was when he was 18 months old."

Learns Quickly

After that, she said they could not keep him from learning.

"A week after that he astounded us by naming every president the nation has ever had. I don't know where he found out," she said. "A few days later he recited the alphabet backward."

Van Nuys elementary school refused to enroll him, she said, because he was "too smart."

Sherman Oaks took him for one day, then sent him home when he told the teacher he'd learned all about that "kid stuff" when he was three.

University of California at Los Angeles training school for advanced children accepted him, but before he could enter it was closed because the university needed the buildings for college students.

I.Q. of Sixth Grader

He has the intelligence quotient of "about a sixth grader," his mother said.

"He does fractions in his head, and lately has practiced measuring the distance from the floor to the ceiling of a room with his eye. He hasn't missed by more than three inches yet."

"He loves to make model planes and he saves all the pictures of planes that are printed on cereal packages. The other night he wrote a stern letter to a cereal company complaining that they were using too many pictures of one type of plane which he explained was inferior to some others."

He's as easy to handle as any other child, she said, except when he asks "Why?"

With a genius in the family a mother has to be on her toes.

Girl Is Burned to Death Playing in Children's Game

LOS ANGELES.—Sally Guillen, 22 months old, was burned to death "in a cruel game" played by older children to test the child's bravery, her mother said.

Sally's dress caught fire as she tried to duplicate the feats of other children by allowing lighted matches to be held against her.

She ran screaming home, where relatives beat out the flames with their hands and took her to General hospital, where she died.

Sheriff's officers began an investigation after the mother, Mrs. Catalina Guillen, said she believed her child was killed by playmates' pranks.

She said several neighborhood children between the ages of four and five had been holding lighted matches against other children to make them prove how much they could endure.

Two of her other children had shown her burn scars on their arms, she said.

Officers said they had not yet learned the names of the leaders of the game.

Husband Kills Wife, Self; Daughter, 3, Is Wounded

CLIFTON FORGE, VA.—A Veterans' administration employee shot and killed his estranged wife, critically wounded his three-year-old daughter, injured his mother-in-law and then killed himself.

Police Chief Robert F. Craft said Clark Beckner, about 27, died outright of self-inflicted wounds only a few minutes after his pretty blonde wife, Mrs. Mavis Beckner, died of a chest wound on the front lawn of her parents' home.

The couple's three-year-old daughter, Catherine, was wounded in her chest and throat and physicians said her condition was critical.

Craft said Mrs. Beckner's mother, Mrs. W. A. Rule, was shot in the shoulder. Her wounds were not considered critical.

Hospital Patient Decamps With \$60 in Doctor's Purse

MONROE, WIS. — A "patient" who came to the hospital here walked out without seeing the doctor but with \$60 more in his pocket. Nurse Jane Howard reported that a man asked to see Dr. W. B. Gnagi, who was in surgery. She went to call Dr. Gnagi. While she was gone the man stepped into the physicians' room, off the operating room, and took a billfold belonging to Dr. E. C. Baume, who was performing an operation.

OUR DEMOCRACY—by Mat

MARK OF THRIFT

IN THE COLONIAL DAYS OF OUR COUNTRY, THE WELL STOCKED "LEACHING BARREL," THE SUPPLY OF FATS FOR SOAP IN THE LARDER, WERE MARKS OF A THRIFTY HOUSEHOLD—A HOUSEHOLD THAT SAVED FOR FUTURE USE MATERIALS THAT WOULD OTHERWISE BE WASTED.

THE MEANING OF THRIFT DEPENDS UPON THE TIME AND THE CIRCUMSTANCES.

TODAY'S MARK OF THRIFT IS HOW WISELY WE USE OUR MONEY AND WHAT WE PUT BY FOR THE FUTURE—IN U.S. SAVINGS BONDS, LIFE INSURANCE AND SAVINGS ACCOUNTS.

THE COOKIE JAR

Confined 27 Years as Mental Inmate, Sues for \$300,000

LANSING, MICH.—James Jones, 38, who spent 27 years in Michigan mental institutions, is suing the state for \$300,000 damages, charging he was illegally detained in virtual "involuntary servitude."

Jones' suit asserts that when he was 11, on March 14, 1918, he was taken from the former state public school at Coldwater, and in a "mass trial" with 20 other juvenile wards of the state was committed illegally to the Michigan state home and training school at Lapeer as a feeble-minded inmate.

Escaping in 1923, he was recaptured and confined in the Ionia state hospital for the criminal insane until December 4, 1945, when he was released on a writ of habeas corpus, he related.

Denying that he was mentally incapacitated, Jones asserted he learned to play 11 musical instruments while confined, became an adept repairman, had charge of the Ionia hospital cannery and prepared diets for inmates. In return for working 87 hours a week, Jones charged, he was given a 10-cent package of chewing tobacco weekly and 92 cents when he was released.

Make Paper by Hand

Hand paper making is still a sizable industry in Japan. A relatively modern machine can produce as much paper in 20 minutes as one man can make in a year, but the hand products are superior in strength and beauty.

Manufacture Parasites

A quarter million parasites, destructive to the oriental fruit moth, can be produced daily at about one-twentieth of the former cost through methods developed by scientists in University of California.

Mother Lashes Son, 2, to Herself; Both Are Drowned

GALESBURG, ILL. — A mother lashed her two-year-old son's wrists to her own and then walked with him into a lake, where both drowned.

The victims were Mrs. Juanita Kimble, 40, and her son, William. The bodies were recovered from Lake Story in Municipal park north of here. Coroner E. B. Malstrom said the mother had tied her wrists to her son's wrists with clothesline. Her husband, George E. Kimble, a power company employee, found a note his wife had left at their home. It said she had been ill and despondent. She had been under the care of a physician.

Need Phosphorus

Lacking phosphorus enough in their feed, cattle may develop nutritional diseases, the most common of which is known as "creeps." For a remedy, scientists recommend phosphorus compounds dissolved in the drinking water or mixed with feed. Bone meal fed in a self-feeder is a convenient way to supply phosphorus. For prevention there is a third and indirect method of improving the phosphorus supply by fertilizing ranges and pastures with a superphosphate.

Change Garden Spot

Many farm gardeners need to change the position of the garden spot. Soil wears out in garden spots just as anywhere else. Trees that were small enough not to have harmed grandmother's garden may have grown so much and their roots spread so far that they are robbing your garden of moisture if you happen to be still using the same land that grandmother did.

HICKORY

Mr. and Mrs. Andrew Magiera and son, Paul, Mrs. Rod Ames and daughter, Janet, and Mrs. Curtis Wells spent Sunday in Chicago. They visited relatives at Melrose Park and Glen Ellen.

Miss Lillie Darby and Mrs. Dora Dibble left Chicago Sunday evening for St. Petersburg, Fla., where they will visit a brother of Miss Darby.

Mrs. Wilson King, of Libertyville, visited Mr. and Mrs. Chris Paulsen on Monday, Jan. 6.

Mr. and Mrs. G. A. Lange and children, Barbara, John, and baby Roger, of Hebron, visited the Emmett King home Sunday afternoon.

Mr. and Mrs. Will Thompson and Miss Helen spent Saturday forenoon in Waukegan.

Mr. and Mrs. Gordon Wells visited Mr. and Mrs. George Panzer at Libertyville Sunday afternoon.

Austin Savage is on the sick list. Mrs. Bert Doolittle received a telephone call from Mrs. Earle Darby from St. Petersburg, Fla., Tuesday forenoon, Jan. 14, saying that Miss Lillie Darby and Mrs. Dora Dibble arrived there safely that morning.

Mr. and Mrs. Al Swenson visited Bill Fox at Victory Memorial hospital in Waukegan on Monday, Jan. 6.

Flax Money-Maker

Flax has proven to be the number one cash crop in Minnesota and South Dakota, and it is only second to wheat in the wheat-producing state of North Dakota.

Animal Hair in Demand

There's a heavy demand for animal hair as insulation for refrigerators and as vibration and sound absorbers in other electrical appliances.

FACT AND

SCRIPTURE

January usually is the month for inventories. It is quite necessary for a going industry.

Would it be out of order to take an inventory of our personal life? Will we make good this year? Does it pay to follow the precepts of the good book, the Bible?

"Nevertheless the foundation of God standeth sure, having this seal, The Lord knoweth them that are his. And, let every one that nameth the name of Christ depart from iniquity."

2 Tim. 2:19

"When thou with rebukes dost correct man for iniquity, thou makest his beauty to consume away; like a moth: surely every man is vanity."

Psa. 39:11

"The law of the Lord is perfect, converting the soul: the testimony of the Lord is sure, making wise the simple."

Psa. 19:7

"Watch ye, stand fast in the faith, quit you like men, be strong."

1 Cor. 16:13

Emanuel Thiele.

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

Free Book Tells of Home Treatment that Must Help or It Will Cost You Nothing
Over two million bottles of the WILLARD TREATMENT have been sold for relief of symptoms of distress arising from stomach and duodenal ulcers due to excess acid—Poor Digestion, Sour or Upset Stomach, Gasiness, Heartburn, Sleeplessness, etc., due to Excess Acid. WILMOT

Mrs. Fred Faulkner has been ill and under the care of a physician the past week.

Mr. and Mrs. William Wertz accompanied by Louis Rausch went by automobile to New London on Sunday to visit Mrs. Wertz's mother, Mrs. Robert Magadan, who is seriously ill.

Barbara Brown is ill and under the care of a physician.

Eugene Wilber, Blair Wilber and son, Kenneth, of Milwaukee, were guests Sunday of Mrs. Frank Burroughs.

Mrs. Paul Ganzlin and Grace Carey called Wednesday on Lillie Darby at the home of Mr. and Mrs. Bert Doolittle, Antioch, Ill. Miss Darby accompanied by Mrs. Maude Dibble left Sunday for St. Petersburg, Fla., where they are to visit with Mr. and Mrs. Earl J. Darby until April.

Mr. and Mrs. Frank Kruckman were guests Sunday of Mr. and Mrs. Earl Hyde at Lake Bluff.

Mr. and Mrs. Don Herrick and Milton, Mrs. Vivien Rasmussen and Barbara, of Oak Park spent Sunday with Mr. and Mrs. Harry McDougall.

Mr. and Mrs. Cyril Pacey and Susan, Mr. and Mrs. George Feldkamp and son were at Greenwood Friday evening to call on Mr. and Mrs. Earl Shales.

Mrs. Winn Peterson spent a day last week with her daughter, Mrs. Anthony Sebens, in Kenosha.

Mrs. John Rausch, Jr., is ill and under the care of a physician.

Mr. and Mrs. Jack Schenning, Chicago, Vernon Schenning, Kenosha, and Mr. and Mrs. Harold Bennett, Sturtevant, spent the weekend with Mr. and Mrs. W. R. Schenning.

Mr. and Mrs. Percy Mizzen and children were dinner guests Sunday of Mr. and Mrs. Virgil Mitchell at Truesdell.

Mrs. M. M. Schnurr was ill the past week and under the care of a physician.

Mrs. Henry Vincent entertained at two tables of 500 on Wednesday afternoon.

Mrs. Paul Voss spent several days last week as the guest of Mr. and Mrs. Harmon Swantz at Union Grove. Wednesday they were in Milwaukee.

Mr. and Mrs. Herbert Sarbacker and Mr. and Mrs. Robert Sarbacker were at Woodstock Sunday the guests of Mr. and Mrs. Glen Ober.

Mrs. J. A. Nolan, Oak Park, was an over night guest of the Carey home Thursday and attended a luncheon at the home of Mrs. Richard Burton at Richmond Thursday afternoon. Other guests were Mrs. Walter Winn, Richmond; Mrs. Roy Murdock, Bristol; Mrs. Ray Paddock, Salem; Mrs. J. E. Carey, Twin Lakes and Erminie and Grace Carey, Wilmot.

Hostesses for the next Mothers club card party are Mrs. Alex Schubert, Mrs. Lloyd Stoen. At the Mothers club business meeting all the present officers were voted to hold office for the coming two years.

A large crowd met at the school Monday evening for the Parent Teachers meeting. Plans were made for the Mid Winter Festival scheduled

to be held at the high school on Saturday evening, February 1. Entertainment will be provided for every one attending. All of the usual card games will be in play and each game being in a different room of the school. Dancing to the music of Bessie Barnes orchestra will be provided in the gymnasium.

Mrs. Mathew Thom and son, Mrs. Gus Neumann, Mrs. Ben Elverman and Charlene spent Friday at Barrington with Phyllis Elverman and Mrs. Edwin Parke, Jr.

Mr. and Mrs. Mathew Thom accompanied Mr. and Mrs. James Schneider and Robert Johns, of Twin Lakes to see "Ice Holiday" at Milwaukee Sunday.

Mr. and Mrs. Guy Loftis were at Zion Sunday for the day with Mr. and Mrs. Ray Ferry and T. C. Loftis.

The Union Free High school basketball team defeated Union Grove 23-53 Friday evening. This Friday evening they play at East Troy.

The American Legion A squad was defeated by Dorfs of Kenosha at the gymnasium Sunday afternoon. The Legion B. S. squad defeated the Trevor Trojans 33-30.

SHOTLIFF-HEIDE

Friends of the former Miss Anna Mae Shotliff and Stanford M. Heide were surprised Sunday, Jan. 5 to hear that at a dinner party at the home of his parents, Mr. and Mrs. John Heide at Somers, the marriage of the couple was announced. Wed at the Little Brown Church of the Vale at Nashua, Ia., on August 10, 1946. Mr. and Mrs. Heide kept their mar-

riage a secret until Sunday. They were married by the Rev. Charles E. Batten.

Mrs. Heide is a daughter of Mr. and Mrs. Clifford Shotliff, of Wilmot, and has been employed for some time as a bookkeeper at Leep and Company. She is a graduate of the Union Free high school at Wilmot, and of the Kenosha College of Commerce. Now a research engineer at the Stanley Ellenberger offices, Mr. Heide attended Tri State College in Indiana and was a civilian engineering instructor at Madison, Wis., during the war. They will live in Villa Brookwood, on Berryville Road.

Twenty-five guests, mostly close relatives of the pair were present at the dinner. The Rev. Robert Heide, of Milwaukee, cousin of Stanford

Heide, was an out of town guest. Attending from Wilmot were Mr. and Mrs. R. Clifford Shotliff and Ronald Shotliff and Mr. and Mrs. Lyle McDougall.

CHEVROLET IS FIRST

First IN CAR PRODUCTION . . . First IN TRUCK PRODUCTION
First IN COMBINED CAR AND TRUCK PRODUCTION!

AGAIN at the close of 1946—when America's need for new motor cars and trucks is most urgent—the Chevrolet Motor Division of General Motors leads all other manufacturers in automotive production. This means that Chevrolet is first in passenger car production—first in truck production—first in combined passenger car and truck production . . . despite the fact that all Chevrolet plants were closed completely during the first three months of 1946! Naturally, Chevrolet hopes

to be able to build more and more of these fine products which America is buying so eagerly—the only motor car giving BIG-CAR QUALITY AT LOWEST COST—the only truck giving BIG-TRUCK QUALITY AT LOWEST COST—the complete Chevrolet line which stands out as the lowest-priced line in its field! Meanwhile, it stands to reason you'll get bigger value and quicker delivery by purchasing the product of America's largest builder of cars and trucks—Chevrolet!

Remember . . . LARGEST PRODUCTION means QUICKEST DELIVERY of your new car. Place and keep your order with us for a new Chevrolet and get biggest value as well as earliest possible delivery!

CHEVROLET—LOWEST-PRICED LINE IN ITS FIELD!

MILLBURN

Miss Una Jean Minto, who has recently retired after 26 years as a Missionary in Bialundo, Angola, West Africa, will be guest speaker at the regular church services Sunday morning, Jan. 19, at 11 o'clock. Invite your friends to come with you to hear Miss Minto.

The Men's club met at the church Monday evening with a representative from the Bell Telephone Co., as speaker with sound pictures.

Many from Millburn attended the wedding of Miss Betty Lois Shank, daughter of Mr. and Mrs. Harry Shank, and Mr. Jesse Janus, son of Mr. and Mrs. Burkas, of Berwyn, Ill., at the Central Christian church in Waukegan, Jan. 11 at 8 o'clock. The newly weds are spending a week with relatives in Marjon, Ind., and will be at home in Winthrop Harbor upon their return home.

Weekend guests at the Harry Shank home were Mr. and Mrs. Herman Shank and son, Robert, of South Bend, Ind., and Mrs. Mabel McCarty

and Norma Jean, of Hammond, Ind., who were here for the Shank-Janus wedding.

Mr. and Mrs. Ed Cloud, of Van Buren, Ind., Mr. and Mrs. Dale Spencer, Mr. and Mrs. Willis Spencer, Miss Lucille Spencer and Mrs. Mary Varde-man and daughter, Sandra, all of Marjon, Ind., who were here for the wedding of their niece, Miss Betty Shank, were overnight guests at the home of their sister, Mrs. Orville Hairrell, and family Saturday.

Mrs. Theresa Sheldon and daughter, Mrs. Thompson, of Fourth Lake, were callers at the Ed Hoffman home Friday afternoon.

Mr. and Mrs. Peter Tillich, Jr., and son, and Mrs. Tony Hellstern and son, Kenneth, of Chicago, spent Sunday with their parents, Mr. and Mrs. Peter Tillich.

Members of the church board and their wives, also Miss Una Jean Minto and Mrs. Ora Davis enjoyed a buffet dinner at the home of Rev. and Mrs. L. H. Messersmith Friday evening at 7:30 o'clock. The meeting of the board followed the dinner.

The annual chicken pie dinner at the church Saturday, Jan. 11, was well attended with over 90 people patronizing the dinner. This dinner was served by Mrs. C. P. Weber, Sr., Mrs. Carl Anderson, Mrs. W. C. Upton, Mrs. Bert Edwards, Mrs. Carl Hughes,

Mrs. Roy Bonner and Mrs. Clifford Weber, Jr.
Mr. and Mrs. Kenneth Denman and

sons, Deryl and Dean, were dinner guests at the Bauman home Sunday.

Fire Department Plans For County Convention To Be Held Here in May

Plans for the coming county con-
vention of firemen to be held at Anti-
och in May were made at a regular
meeting of the department held Tues-
day evening. A report was given by
members of the entertainment com-
mittee, and a general discussion of
the possibilities was entered into by
the members.

The possible purchase of a new
truck was also discussed, but no action
was taken at this time, mainly be-
cause of lack of space in the present
firehouse. It is felt that after the
new firehouse is completed new
equipment and the current high
prices also had something to do with
the decision to delay replacement of
the present truck.

The thirty members present were
guests of Bud Holtz after the meeting
and were served refreshments at the
tavern.

Thousands Are Ice Fishing In Chain of Lakes Region

Thousands of persons are fishing
through the ice in the Chain O'Lakes
region observers report, and all of
them are getting nice catches of blue-
gills and other pan fish.

At Lake Marie Wednesday on one
side of the lake alone 130 persons
were seen ice fishing.

As one representative of the de-
partment of conservation observed
about Lake county, the fur bearing
game and fowl may be disappearing,
but the fish are on the increase.

Fox Lake Board Wants New Boat Manufacturing Plant To Locate There

The Fox Lake village board this
week considered re-zoning of the
lake front to permit the Marine Man-
ufacturing Co., of Chicago to start a
boat factory north of the draw bridge
on the Jansen property.

First opposed to the plan, the board
became so enthusiastic about the
proposed factory after seeing the build-
ing plans Monday that they are pro-
posing to aid the manufacturer, Mr.
Miller, in securing state permission
establish the plant.

The state at present does not per-
mit factories on the lake borders,
but it is believed that since this
kind of manufacturing is pertinent
to the lake, an exception to the rule
may be made.

Miller is fairly well-known among
boating enthusiasts here, through his
use of the local lakes in testing the
first experimental models of the plas-
tic boats which will be built at Fox
Lake when the new plant is com-
pleted.

Gamble Dealers to Attend National Merchandise Show

Rudy Eckert, authorized dealer for
Gambles, has been invited to attend
a four-day merchandise mart and
sales show at Minneapolis, Jan. 27-
30. "Planorama" the name coined
to identify the meeting—will feature
new lines of merchandise and pre-
sentations on new selling and display
techniques.

According to a statement signed
jointly by Bert Gamble and Phil
Skogmo, the "Planorama" will be
one of the "most ambitious under-
takings" of the rapidly expanding or-
ganization which has considered
"merchandising innovations" as an
important part of its stock in trade.

More than 3,000 dealers, store
managers, manufacturers and sup-
pliers will convene at the Minne-
apolis Auditorium for what will be
one of the biggest merchandise shows
ever to be held outside of New York
and Chicago. Displays and exhibits
will fill 100,000 square feet of floor
space.

Mr. and Mrs. M. C. Knirsch who
have spent the Christmas holidays
with their parents, Mr. and Mrs. Wal-

PROTECT your new chair from moth-
s for only \$1.25 for 5-year guaranteed
protection. One spraying of Berlou
stops moth damage or Berlou pays
for damage. King's Drug Store,
Antioch, Ill. Phone 22

LOST

LOST—Buick wheel and tire—in front
of Antioch High school. \$10.00 re-
ward. Telephone Lake Villa 2711.
(24c)

ter Seller, left last week for New-
burg, New York, where they expect
to make their home. Mr. Knirsch
was recently discharged from the
service.

Keep Potatoes Cool
Keep potatoes cool but not cold—
to make their home. Mr. Knirsch
was recently discharged from the
and 60 degrees. Do not let them
freeze.
